Summer 2019:

Spain

Global Health Experience: Study Abroad

chatham
ABROAD

The world is calling.

Chatham University - Office of
International Affairs

The Locations:

Spain is a country on Europe's Iberian Peninsula, bordered by France, Portugal, the Mediterranean Sea, and the Atlantic Ocean. With its stone castles, monuments, snowcapped mountains, and sophisticated cities, Spain is well-known for its geographic and cultural diversity. In this field experience, students will engage in a shadowing experience in Valladolid hospitals and clinics. An excursion to Madrid, cultural immersion experiences, cultural experiences led by the Atlantis Project and explorations of Valladolid and Toledo have been planned.

Coursework and Highlights:

During the two-week field experience in Valladolid, student will engage in shadowing European health professionals 6 to 8 hours per day in a variety of medical fields and in different parts of a hospital. Students will have cultural immersion activities and excursions each week. On site lectures will focus on cultural, historical, political and economic forces in healthcare in Spain. Teaching English to medical professionals will be offered as optional community service.

Housing:

Students will stay in double rooms in local hotels with double occupancy for larger groups.

Prerequisite Course:

Students must be full-time and have completed one semester of Spanish language course (or equivalent) prior to participation.
